WHAT FACTORS WILL AFFECT YOUR VOTING CHOICE?

To help you decide who you should vote for in the coming elections, below are some questions that you could raise with your Prospective Parliamentary Candidates (PPCs).

WHAT	WHY	ASK YOUR CANDIDATES
1 ISLAMOPHOBIA	Are you concerned about the rise in anti-Muslim hatred and speech?	Will you support the formation of an All-Party Parliamentary Group (APPG) on Islamophobia?
2 FREEDOM OF DRESS	Are you concerned about laws telling you what you can and cannot wear?	Do you agree that men and women should have the right to follow their religious and cultural conscience on matters of clothing/attire?
3 EXTREMISM	Do you feel that current Anti-Terror laws target Muslims?	The current Prevent strategy is unfairly targeting the Muslim Community, how will you change this?
4 CLIMATE CHANGE	Are you concerned about climate change?	Will you back a legally-binding global climate deal as a top priority, with targets for corporations and individuals?
5 FOREIGN POLICY	Does British foreign policy abroad concern you?	Will you call for the swift exit of occupation troops from Iraq & Afghanistan and call for the immediate end of the Gaza siege?
6 AID	Do you want the UK to help poor people around the globe more?	Britain's main political parties agree that Britain should honour its commitment to spend 0.7 per cent of national income on aid. How would you ensure this is never renege upon and when would you turn this pledge into law?
